Borough of Fair Lawn
Municipal Calendar
2017

On behalf of the Mayor and Council, I would like to wish all of our residents a Happy and Healthy New Year. I encourage you to explore all that our town has to offer and see firsthand why so many are proud to call Fair Lawn "home". Please remember to support our local business and restaurants and always "Shop Fair Lawn First".

Fair Lawn is a community that is constantly looking to move forward and meet the needs of those who live and work in the Borough. Our amenities and the quality of our school system make Fair Lawn a desired destination for many homebuyers and tenants. In Fair Lawn, we get to enjoy so much from Theatre and the Arts at the Community Center to enjoying a swim in Memorial pool. Fair Lawn has it all!

I am sure you have seen the extensive roadwork performed in the Borough the past year. This includes handicapped curb cuts, road resurfacing and bump outs to increase pedestrian safety. The Borough also looks forward to finally receiving funding from the State in April for our proposed affordable housing complex for seniors. Fair Lawn takes care of its own – both young and old.

Once again, I am especially grateful to all of our volunteers, who are the lifeblood of this community. They give of their time, efforts and talent to further protect and improve the quality of life in our community. I encourage you to learn how you can join one of our many committees or organizations.

The Council and I look forward to meeting many of you as we are out and about in the year ahead. I hope that 2017 will be a year filled with good health and happiness.

Warm regards,
John J. Cosgrove

Recycling & Sanitation

Report Litter Bugs and Become a Litter Marshal!

Have you seen someone throwing litter from their car either driving or parked someplace? Did you know that you can report the vehicle anonymously? The owner of the vehicle will be notified by mail about the violation! All you have to do is call 201-794-5341, 24 hours per day. We'll need their license plate number, including state, the date, time, location and what was littered. Help keep Fair Lawn clean as we root out those who are making it a mess! If you'd like to become a litter marshal and get a lapel pin, reporting pad and some other items just call the Recycling Office at 201-794-5341. Make a positive difference in Fair Lawn and become a part of this award winning team!

Decals Available – Paper & Bottle Collection

The Recycling Division requires sturdy containers placed at the curb for recycling collection to display decals to denote the commodity in the barrel. Decals are denoted as blue decals for paper and cardboard, red decals for bottles & cans. Decals are available free of charge at the Recycling Office at 20-05 Saddle River Road. Residents may also e-mail their address and which decals they want to be mailed to recycling@fairlawn.org or call 201-794-5341 to have them mailed.

Furniture

Residents are permitted one bulk item (furniture) each garbage day. No appointments necessary.

Metal / Electronics

The Recycling Division accepts metal and electronics at the recycling center and will collect it at the curb with an appointment. Call 201-794-5341 to schedule an appointment. Metal items must be at least 50% metal for us to collect them under this program. Electronics include televisions (not projection or console, which are garbage), computers, monitors, stereos (not speakers), vcrs, dvd players, cell phones, iPads, iPods and other electronic equipment. Just because it has a power cord does not make it electronic.

Household Hazardous Waste Days

The Bergen County Utilities Authority will be holding household hazardous waste collections from 9:00 AM to 3:00 PM, rain or shine one day per month from March through November. This program is free to Bergen County residents. All materials must be properly labeled and in original containers. For more information call 201-807-5825 or visit their website at www.bcua.org .

Building and Zoning Department

Warmer weather signals the start of many home improvement projects. As you plan your project it's important that you make sure that you know what permits and approvals you may need before you start working. Starting work without a permit could mean you have to remove some of the interior finishes for required inspections or having to replace a product or material that does not meet the Uniform Construction Code, an expensive prospect in either case.

One problem for homeowners trying to sell your home is the inability to produce permits to a prospective buyer. As buyers become more informed they know to ask for copies of all the permits on a property their interested in to make sure work was done legally. The Borough of Fair Lawn also requires CCO inspections before selling your home. Closings are frequently delayed when work is discovered without permits.

In the State of New Jersey all Municipalities enforce a set of codes adopted by the State which are collectively called the Uniform Construction Code. The modern Uniform Construction Code has its roots in rules produced by insurance companies trying to find ways to limit damages, and payouts, to buildings they insured. The Uniform Construction Code has remained first and foremost a safety code ever since.

If you are thinking of renovating a kitchen or bathroom, building a deck, putting up a new fence or doing other home improvements, call us to find out what permits you will need. We'll help you streamline the process and tell you what kinds of documentation you should provide with your application. Permits are required for water heaters, boiler or furnace replacements, interior renovations, steps, roofing, siding, chimney relining, decks, sheds, fences, additions, above or in-ground swimming pools, etc. When applying for outside projects such as decks, sheds, fences, additions, pools, etc., you will need to bring a copy of yours property survey in addition to your permit applications.

Zoning Permits are required for sheds, fences, patios, replacement or widening of driveways. Please bring a copy of your survey to apply for these items. Zoning Review Permits are required for things like pools, hot tubs, enclosed porches, signs, foyers, roofs over front platforms, decks, accessory structures, signs, garages, additions, dormers, add-a-levels and sunrooms. A Certificate of Continued Occupancy is required for all tenants. Zoning approval is also required for all commercial projects. Blank application forms are now available on Fair Lawn's website. The Fair Lawn Building Department is here to help keep your project safe and code compliant.

The Building/Zoning Department Offices are located in the Municipal Building. For the Zoning Department, call 201-794-5308 or e-mail apeck@fairlawn.org for more information. For the Building Department, call 201-794-5307 or e-mail lfox@fairlawn.org.

Our Property Maintenance Inspector is available in the office from 8:30 a.m. to 9:30 a.m. and 3:30 p.m. to 4:30 p.m. or by calling 201-794-5325. If you have any questions concerning requirements for a proposed project, code questions or paperwork requirements, call the Building Department at 201-794-5307. Permits are issued between 9:00 a.m. and 4:00 p.m. Homeowners should make sure that contractors receive all the necessary permits before starting any work. Please allow ample time for both Zoning and Building review, and plan accordingly when scheduling your project.

Litter Clean Up Days

The Recycling Division will be holding litter clean ups on Saturday April 22nd , May 20th , June 10th and September 16th from 8:45 AM to 12:30 PM. Volunteers will be provided with gloves, bags, safety vests and food. Volunteers will meet at the Fair Lawn Recycling Office, 20-05 Saddle River Road at 8:45 AM and the bus will leave promptly at 9:00 AM. This qualifies for community service hours that many schools and religious organizations require. Volunteers must wear long pants and closed toed shoes for the event. Anyone wishing to volunteer must register **five** days prior to the event to assure adequate transportation and supplies. For more information or to register, call 201-794-5341 or e-mail recycling@fairlawn.org.

Outdoor Pesticide Application

Pesticides must be used according to label direction under penalty of EPA law. Large quantity, outdoor spray applications of pesticides require neighbor notifications. Homeowners using lawn services or contractors for pest and weed control must ensure that the service is licensed with the State and has a Fair Lawn Health Department registration. For more information, call 201-794-5327.

Building and Zoning Department

The Building Codes in New Jersey can be complex and at times frustrating to persons unfamiliar with the myriad of regulations. In the State of New Jersey all Municipalities enforce a set of codes adopted by the State which are collectively called the Uniform Construction Code. It's natural to think that regulations are a product of modern life and wish for a simpler time when what you built was a function of the materials at hand rather than a requirement of a code. But simple is not always better. Around 1770 BC, Hammurabi's Code of Laws included regulations for the building contractors of the time. It was simple and contained only a few lines but spoke volumes. The modern Uniform Construction Code is first and foremost a safety code. If compliance seems burdensome, compare it to the code in place 4,000 years ago.

Cat License Renewals are now due. Cats over 6 months must be licensed. Owners must show proof of rabies vaccination good through May 1, 2018 to obtain a one year license. One year license fees are: $12.00 (spayed/ neutered) or $15.00 (unspayed/unneutered). There is an added $10.00 fee for each license obtained after June 30. Generator Safety

Downed utility lines, blackouts, snow falls or summer storms can lead to power outages. Many residents are turning to generators as a temporary solution. Please remember the following safety precautions.

- Generators should be used in well ventilated locations outside away from all doors, windows and vent openings.
- New use a generator in an attached garage, even with the door open.
- Place generators so that exhaust fumes can't enter the home through windows, doors or other openings.
- Make sure to install carbon monoxide (CO) alarms in your home.
- Turn off generators and let them cool down before refueling. Never refuel a generator while it is running.
- Store fuel for the generator in a container that is intended for the purpose and is correctly labeled as such and store the containers outside of living areas.

Flood or Fire Damage - It Could Never Happen To Me

Residents are reminded and encouraged to make sure that they have proper homeowners and/or renter's insurance. Many people have the mentality that "it could never happen to them." The average homeowner is five times more likely to incur flood damage than fire damage. A Homeowner's policy may cover fire, tornado or even earthquake damage, most exclude damage caused by flooding. However, not only are residents in this Borough affected by flooding. Other damage, such as fires, could occur. Renter's in the Borough should carry renters insurance to protect their possessions. Landlords of the apartment have insurance, but it probably only covers the building, not the renter's belongings. All residents should make sure that they have proper coverage, whether they are a homeowner or renter.

Community Emergency Response Team

CERT members give critical support to first responders in emergencies, provide immediate assistance to victims, organize spontaneous volunteers at a disaster site, and collect disaster intelligence to support first responder efforts. If you join a CERT, you will receive basic-level training in Emergency Preparedness, Disaster Medical Operations, Fire Suppression, Light Search and Rescue Operations, Incident Command System, Disaster Psychology, Terrorism Awareness and Community Animal Response Team. Total training is usually about 20 hours, scheduled in 2-4 hour modules, over a period of weeks. Training courses, student materials and equipment are provided free of charge. Fair Lawn CERT is always looking for new members to assist in the community. If you are interested in becoming a CERT member, email CERT Director Nancy Brouca at fairlawncert@fairlawn.org.

Construction Material Collection:

The Borough garbage contractor will be collecting small amounts of construction material at the curb during the weeks of May 8th and October 23rd on the regular garbage day. Quantities are limited to four (4) thirty-two gallon barrels not weighing more than 50 pounds each. Excess quantities will not be collected. Materials must be contained or tied for ease of handling by the collection crew. Construction includes building wood, paneling, sheet rock, tiles, toilets, sinks, doors, windows, cabinetry, countertops and garage doors. Construction does NOT include any recyclables (including metal), hazardous materials, paints, brick, block, stone, concrete, asphalt, stone, rocks and dirt. These items will not be collected.

Veterans Information and Outreach Fair

The Borough of Fair Lawn will be hosting a Veterans Information and Outreach Fair at Memorial School on Saturday September 23, 2017.
For more information please call Fair Lawn Veterans Affairs at 201-794-5314 or visit www.fairlawn.org/vetfair.

Reminder:

Residents are required by ordinance to clearly display their house numbers on their homes. By clearly displaying your house number it allows emergency services to find your home quickly.

Fire Prevention

Fire Safety for Pre-Schoolers
Children can be taught the basics of escaping a fire . . .
When the smoke alarm sounds
Knowing two ways out of every room
Gathering at a meeting place outside the burning building
Teach 9-1-1
Be sure your family's senior citizens are aware that 9-1-1 is the number to call to report an emergency, as many are inclined to call the old 7-digit number. Call us at 201-794-5408 to request 9-1-1 stickers for your phone.

Adults should also do their part to avoid a tragedy
Children are curious about fire. Store matches and lighters in a locked cabinet.
Fire should not be used for entertainment.
Maintain smoke alarms on every floor and test them weekly.
Never leave a room unattended with a cooking flame or candle burning.
Install a carbon monoxide alarm near your sleeping area and test it regularly.
Have a fire escape plan and practice it regularly.

To help you be safe from fire, the following courtesies are available:
Fire safety inspection of your home.
Designing a fire escape plan from your home, for all family members.
Installing, testing, and changing batteries of smoke alarms.

Locating Your Discharge Paperwork: The importance of every Veteran, and their immediate family, knowing with their discharge papers are is imperative. Unfortunately, many Veterans or family members look to locate their paperwork when they are met with a dire or tragic situation. It can take several months to receive your discharge papers once you make application. This long wait for discharge paperwork can cause a major delay on attempts to file for medical claims or benefits, obtaining a Veterans identification card, receiving a property tax reduction and lastly, receiving proper burial services. To obtain a copy of your discharge paperwork you must fill out and submit a Standard Form 180 to the National Achieves. Requests can also be submitted electronically through their website. Blank forms are available on their website. National Archives may also be contacted by telephone at 314-801-0800. Once you have obtained your discharge paperwork, prior to safeguarding it, please ensure that the individuals you have entrusted (spouse, children, power of attorney) are given a copy for their records.

Veterans Identification Card: The Bergen County Clerk's Office, located at 1 Bergen County Plaza in Hackensack, offers photo Veteran Service Identification Cards to all honorably discharged Bergen County Veterans. For more information contact the Bergen County Clerk's Office at 201-336-7000.

Due in December 2017. All dogs over 6 months must be licensed. Owners must show proof of rabies vaccination good through November 1, 2018, in order to obtain a dog license at the Health Dept. The dog license fees are: $12.00 (spayed/neutered) or $15.00 (unspayed/unneutered). There is an addition $10 fee for a dog license renewal obtained after January. Become a Friend of the Library

Do you want to help the Fair Lawn Library be the best it can be? Join the Friends of the Library, a group that meets on the second Wednesday of every month at 7:30 pm in the library. Newcomers are always welcome. Please call 201-796-3400 for more information.

The Friends have raised money to fund activities for the library such as performances by musicians, storytellers, and many other entertainers, end-of-season celebrations in the Children's room, author's visits and more. They also provide support for some of our wonderful amenities such as a motion picture license to show the newest films, and fine additions to our collections of books, movies, and CDs. One of their latest gifts is the ability for Fair Lawn residents to visit the Montclair Art Museum for free. Come on by and be a part of the reason the library has something to offer to everyone.
