Keeping Connected In Your Community

From the desk of the Mayor

It is always amazing to see the progress of our community when I look back at the start of each new year. A few years ago, Fair Lawn was ranked #9 in the nation for best communities in which to live; this year we moved up to the #3 spot.

Growing up in Fair Lawn in the 1980's and 1990's, I saw the closure of Edison and Thomas Jefferson Schools. Parks like Berdan Grove had "playgrounds" consisting of a few wooden blocks. There were empty storefronts along our main streets and a massive migration of Fair Lawn residents moving out of town, to the point we had roughly 10,000 less residents in a span of 25 years.

Today, we are reversing those trends. Seniors are taking advantage of affordable housing opportunities that allow them to remain in the community. Our school district is rated one of the best in the Nation. Borough parks are being regularly upgraded and made accessible to all. Retail vacancy rate has never been lower, businesses are expanding and long cherished businesses continue to thrive. We are now seeing a reverse migration that has people returning back to Fair Lawn, back to their home.

You will see other new improvements in 2023, such as the completion of our new volleyball and basketball courts at Memorial Park, new pickleball courts, a new turf football field, our first cricket pitch and upgrades to our playgrounds. The Borough is also making increased investments to our sewer and water infrastructure.

I am so proud of how far we have come, but I know we are not done. Thanks to the efforts of our Borough employees, our volunteers and most of all you – our residents – I feel confident that Fair Lawn will continue to remain one of the best communities in the Nation!

Best regards,
Mayor Kurt Peluso

Santa Claus Telephone

Weekday evenings beginning Friday, December 1 through Friday, December 15 (Calls will be placed between 6:00 p.m. & 8:00 p.m.). On one magical evening this holiday Santa Claus will contact the children in the town of Fair Lawn directly by telephone. Parents are encouraged to fill out a form and return it as soon as possible. Santa will be making his calls continually throughout the two week period to guarantee he finds out "who has been naughty and who has been nice."

For more information, call 201-796-6746.

Important Information

Fair Lawn Library

Your library is more than just stacks of books. We have the newest movies, music, and video games. We have materials for you to enjoy without even stepping through our doors, with online books, audio books, magazines, music, and more.

We offer a story time for children and book clubs for young kids all the way up to seniors and everything in-between. Use our museum passes for a weekend getaway, bring the kids in costume to our Haunted Library or our Library Con, buy gifts at our Holiday Arts & Crafts Boutique, or sign up for our yearly Summer reading program for kids, teens, and adults. We have ongoing clubs to share recipes, read your poetry or prose, perfect your English as a second language or play games. Come see a movie screening with a captive audience, or join us for a specialized lecture or book talk by an author.

And yes, we still have books, too, whether you prefer a gripping mystery, a cook book, graphic novels, picture books, or biographies. If you don't see what you'd like, just ask one of our friendly staff members and we will find it for you.

Follow us on Facebook: @FairLawnPublicLibrary, Instagram: @FairLawnLibrary or check our calendar for special events, like concerts or art gallery openings.

Yard Waste Collection

The final yard waste collection for the season will be the week of December 11, 2023 on your regular recycling collection day.
