A Christmas Carol - December 16, 2012 - Join us in wishing Charles Dickens a most happy 200th birthday. Dustin Charles stars as Dickens and all of the unforgettable characters from his 1843 novella. This new adaptation, by Greg Oliver Bodine, finds Dickens on his 1867 American Reading Tour where, due to an inexplicable loss of his luggage, he regretfully announces that he will be unable to read from his beloved classic, *A Christmas Carol*. However, all is not lost: Dickens delivers what he promised by performing from memory the magical story of Ebenezer Scrooge's journey from miserliness to redemption with warmth and humor. **This wonderful holiday treat is a delight for young and the young at heart!**

The 39 Steps - May 10-12, 2013 - This TONY Award-winning Comedy Thriller was called "The most entertaining show on Broadway" by the NY Post. This hysterical adaptation of the Hitchcock mystery will have you rolling in the aisles!
