

The Fair Lawn Citizen

The Newsletter of the Borough of Fair Lawn

Published by the Mayor and Council

Message From the Mayor

Once again, we have had to deal with severe winter weather conditions. I would like to thank the Borough employees who have done an excellent job plowing our streets and repairing water main breaks. The Council has approved the purchase of a second Asphalt Hot Box, which will maximize our efficiency in patching pot holes.

We have also allocated \$1.2 million (more than double the amount of past years) for road resurfacing, which will take place this spring and summer. I am also happy to report that the State has started construction on the long-awaited traffic light at the Broadway Train Station, and our bump outs to improve pedestrian safety will be completed in the fall.

With the nicer weather upon us, this is the perfect time for residents to enjoy and experience all that our community offers. Be it watching the Memorial Day Parade honoring our veterans, taking a relaxing swim at Memorial Pool or viewing the July Fireworks, Fair Lawn offers wonderful opportunities for residents to celebrate the summer and for young families to begin new traditions.

I always enjoy meeting residents while out and about in town and I welcome your input. Should you have a suggestion you would like to share, please email me at Mayor@fairlawn.org. You can also call my office at 201-794-5344 to schedule an appointment during my "Meet and Greet" sessions, which take place on the third Thursday of each month between the hours of 5:00 p.m. and 6:30 p.m.

On behalf of myself and the Council, I wish you a safe and healthy summer.

Sincerely,
Mayor John J. Cosgrove

Disabled Veteran Exemptions Available

Veterans that have been deemed to be 100% disabled by the United States Veteran's Administration as the result of a service-connected disability may be entitled to a full property tax exemption. Contact the Tax Assessor for eligibility requirements and application claim forms.

Senior Citizens, Disabled Persons and Veteran Deductions

New Applications Only: Senior Citizens and Disabled Persons who meet certain income requirements are eligible for a tax deduction of \$250. New applicants for a tax deduction should obtain application claim forms from the Tax Assessor's Office, and must be filed by December 31. Proof of income must also be submitted along with your application. A surviving spouse/domestic partner of a deceased senior citizen or disabled person that was receiving the deduction may also be eligible.

Veterans who served during a period of war are also eligible for a tax deduction of \$250. New applicants for a tax deduction should obtain application claim forms from the Tax Assessor's Office which must be filed by December 31. A copy of the veteran's honorable discharge Form DD-214 is required for approval. A surviving spouse/domestic partner of a deceased Veteran would also be eligible.

It should be noted that the exemptions and deductions listed above are restricted to owners of residential property only. Owners of either a cooperative or condominium unit are also eligible.

For further information regarding the above tax relief programs, please contact the Tax Assessor's Office at 201-794-5318 or visit Room 207 in the Municipal Building.

Tax Collector

Tax Bills: The new tax bills for the 3rd and 4th quarters of 2015 and the 1st and 2nd quarters of 2016 will be mailed in June. The 3rd quarter is due August 2, the 4th quarter is due November 1, the 1st quarter of 2016 is due February 1, and the 2nd quarter is due May 1. There is a ten (10) day grace period for each quarter. If you have any questions regarding your property tax billing, please call the Tax Office at 201-794-5338 or 201-794-5339 or email taxcollector@fairlawn.org.

For your convenience, there is a night depository drop box in the rear parking lot of the Municipal Building marked Tax & Water Payments where you can deposit your payment.

Delinquent Water Bills: Please note there is a \$5.00 fee on water bills that are not paid within thirty (30) days of the billing date.

Building and Zoning Department

Warmer weather signals the start of many home improvement projects. As you plan your project it's important that you make sure that you know what permits and approvals you may need before you start working. Starting work without a permit could mean you have to remove some of the interior finishes for required inspections or having to replace a product or material that does not meet the Uniform Construction Code, an expensive prospect in either case.

One problem for homeowners trying to sell your home is the inability to produce permits to a prospective buyer. As buyers become more informed they know to ask for copies of all the permits on a property their interested in to make sure work was done legally. The Borough of Fair Lawn also requires CCO inspections before selling your home. Closings are frequently delayed when work is discovered without permits.

In the State of New Jersey all Municipalities enforce a set of codes adopted by the State which are collectively called the Uniform Construction Code. The modern Uniform Construction Code has its roots in rules produced by insurance companies trying to find ways to limit damages, and payouts, to buildings they insured. The Uniform Construction Code has remained first and foremost a safety code ever since.

If you are thinking of renovating a kitchen or bathroom, building a deck, putting up a new fence or doing other home improvements, call us to find out what permits you will need. We'll help you streamline the process and tell you what kinds of documentation you should provide with your application. Permits are required for water heaters, boiler or furnace replacements, interior renovations, steps, roofing, siding, chimney relining, decks, sheds, fences, additions, above or in-ground swimming pools, etc. When applying for outside projects such as decks, sheds, fences, additions, pools, etc., you will need to bring a copy of yours property survey in addition to your permit applications.

Zoning Permits are required for sheds, fences, patios, replacement or widening of driveways. Please bring a copy of your survey to apply for these items. Zoning Review Permits are required for things like pools, hot tubs, enclosed porches, signs, foyers, roofs over front platforms, decks, accessory structures, signs, garages, additions, dormers, add-a-levels and sunrooms. A Certificate of Continued Occupancy is required for all tenants. Zoning approval is also required for all commercial projects. Blank application forms are now available on Fair Lawn's website. The Fair Lawn Building Department is here to help keep your project safe and code compliant.

During Summer business hours, although our administrative offices will be closed on Fridays, we will be able to offer some Friday inspections in order to serve you better. The Building/Zoning Department Offices are located in Room 216 on the 2nd floor of the Municipal Building. For the Zoning Department, call 201-794-5308 or e-mail apect@fairlawn.org for more information. For the Building Department, call 201-794-5307 or e-mail lfox@fairlawn.org.

Our Property Maintenance Inspector is available in the office from 8:30 a.m. to 9:30 a.m. and 3:30 p.m. to 4:30 p.m. or by calling 201-794-5325. If you have any questions concerning requirements for a proposed project, code questions or paperwork requirements, call the Building Department at 201-794-5307. Permits are issued between 9:00 a.m. and 4:00 p.m. Homeowners should make sure that contractors receive all the necessary permits before starting any work. Please allow ample time for both Zoning and Building review, and plan accordingly when scheduling your project.

Department of Public Works

Plastic Bag Ban

Due to recent changes at the recycling markets, the Recycling Division is unable to collect recyclables in plastic bags. Those items placed out for collection while in plastic bags will NOT be collected. Your cooperation is appreciated to help prevent our truck loads from being rejected at the market.

Paper Shredding Event – Sunday, June 7

The Recycling Division will be holding a paper shredding event for Fair Lawn residents on Sunday, June 7th from 8:00 a.m. to Noon at the commuter parking lot, 20-05 Saddle River Road. The program will end when the truck is full. Each vehicle is limited to four (4) boxes and includes only confidential paper documents. Documents are shredded as you watch if you wish to stay. The program will not accept any x-rays, newspapers, magazines, binders or other non-paper items. This program is free of charge to Fair Lawn residents only. Businesses are not accepted. For more information, call 201-794-5304 or e-mail recycling@fairlawn.org.

Household Hazardous Waste Days

The Bergen County Utilities Authority will be holding household hazardous waste collections from 9:00 AM to 3:00 PM, rain or shine on certain dates. This program is free to Bergen County residents. All materials must be properly labeled and in original containers. For more information call 201-807-5825 or visit their website at www.bcuu.org.

Yard Waste / Composting / Grass Cut-It-And-Leave-It

Yard waste collection has started and residents are reminded that barrels or bags must weigh 40 pounds or less. Residents are also encouraged to compost their yard waste and cut and leave your grass on the lawn using a mulching lawnmower. Both are easy to do and free information is available at the Recycling Office. The Recycling Coordinator is also available to assist you in starting a compost pile or if you are experiencing problems with your existing compost project. For more information call 201-794-5304 or e-mail recycling@fairlawn.org.

Addresses on Barrels

As summer storms sweep through the area, heavy winds can cause recycling and garbage containers to be windswept and left in the roadway or on your neighbor's property. To assist in getting your container back, the Recycling Division recommends that all barrels be marked with your address so lost barrels can be returned to the owner if found. The barrels should be periodically remarked so the address is visible and readable.

Decals Available – Paper & Bottle Collection

The Recycling Division requires sturdy containers placed at the curb for recycling collection to display decals to denote the commodity in the barrel. Decals are denoted as blue decals for paper and cardboard, red decals for bottles & cans. Decals are available free of charge at the DPW office, 2nd floor, Borough Hall or at the Recycling Office at 20-05 Saddle River Road. Residents may also e-mail their address and which decals they want for mailing to recycling@fairlawn.org.

Health and Human Services

Cat License Renewals are now due. Cats over 6 months must be licensed. Owners must show proof of rabies vaccination good through May 1, 2016 to obtain a one year license. One year license fees are: \$12.00 (spayed/ neutered) or \$15.00 (unspayed/unneutered). There is an added \$10.00 fee for each license obtained after June 30. Residents are urged to get their pet cats and dogs licensed to avoid summonses to Municipal Court. For information on three year licenses or questions, call 201-794-5327.

Pet owners are reminded to clean up fecal waste promptly after their pet defecates on private and public property to prevent a public nuisance. Feeding of pets should not be done outdoors since they may attract rodents, wildlife, stray cats and insect problems. Feeding of stray cats is prohibited as it promotes exposure to cats that may carry rabies.

Dog owners are reminded that a dog barking longer than 10 minutes is considered a noise disturbance, which can result in a summons to court. Animal Control will pick up dead animals on private property for a fee of \$60.00 per animal payable to Tyco Animal Control. For general animal complaints contact Tyco directly at 201-652-4554. For emergent animal complaints contact the Fair Lawn Police Department at 201-796-1400.

Free Rabies Clinic for cats and dogs will be held on Thursday, May 22, 2015 from 6:00 to 7:00 p.m. at Memorial Park Garage at the end of Avenue of Heroes. Pet owners should check their pet's rabies vaccination expiration date.

Outdoor Pesticide Application: Pesticides must be used according to label direction under penalty of EPA law. Large quantity, outdoor spray applications of pesticides require neighbor notifications. Homeowners using lawn services or contractors for pest and weed control must ensure that the service is licensed with the State and has a Fair Lawn Health Department registration. For more information, call 201-794-5327.

Free Blood Pressure Screening

Free Blood Pressure Screening is provided at the Fair Lawn Senior Center every second Friday of the month from 9:30 a.m. to 11:30 a.m.

Fair Lawn Alliance for Substance Abuse Prevention (FLASAP) is selling bicycle helmets for \$10 and T-shirts for \$6 each or 2 for \$10 to help support community and school activities. Items can be purchased in Room 112.

Meals on Wheels Program for homebound persons on medically necessary diets. For more information, call 201-794-5333. For homebound residents without dietary restrictions, please call Bergen County Meals on Wheels at 201-336-7420 or Kosher Meals on Wheels at 201-796-5151.

The Edith Wigod Spring Food Drive: The Food Pantry accepts non-perishable food and toiletries year round for residents in need. Donations can be dropped off at the Municipal Building, Room 112. Please call 201-794-5333 or email HHS@fairlawn.org before delivering large food donations. Food items requiring refrigeration or expired food cannot be accepted.

Child Immunization Clinic is available for young children without medical insurance. Clinic held on the first and fourth Thursday of the month. Appointment is necessary. Hepatitis B immunizations are also available to residents, age 20 years and older, for \$180 for a 3-dose series. Call 201-794-5331 for appointment.

Free Health Consultations: Including hypertension check by a public health nurse are provided on the third Monday of every month from 11:00 AM to 1:00 PM at the Fair Lawn Community Center. The public health nurse will take a blood pressure, perform a risk assessment and discuss health concerns with participants

Vital Statistics: Records for births, deaths, marriages, civil unions and domestic partnerships that have occurred in Fair Lawn from 1924 to present. Information can be found on www.fairlawn.org, by calling 201-794-5333 or via email HHS@fairlawn.org. Vital records are \$10/copy.

SPONSOR A PARK

The Fair Lawn Recreation Facility Committee is continuing the *Adopt-a-Park Program*. The intent of this program is to involve fraternal or business organizations, scout troops or interested citizens to help promote a community pride in our public parks by assisting in activities including maintenance and beautifications projects. In adopting a park, the group commits to a periodic clean up and reports any vandalism or safety problems encountered at their chosen park. A sign will be posted at the park recognizing the group's contribution to help make Fair Lawn a cleaner and safer place for all to enjoy. In addition, the Mayor and Council will recognize the participants. For further information, please contact the Recreation & Parks Office, Monday to Friday, 8:30 a.m. to 4:30 p.m. at 201-796-6746.

FAMILY MOVIE NIGHT

This event will be held at Memorial Pool on a weekday night(s) in the summer. Date(s) to be announced (July/August).

Maurice M. Pine Public Library

Summer Reading

Our most anticipated program of the year is our yearly Summer reading program, and this year's program is sure to excite kids of all ages. Super heroes spend each summer populating most movie screens, but this year they will spend their time in the library proving that Every Hero Has A Story. Every week, from July 6-August 14, there will be crafts, games, stories, and science projects.

That's a different program every day, Monday-Friday, for six weeks! There will be something every single day for grades K and up, and morning activities for pre-schoolers. Kids will be challenged to be super readers, and those who read for 20 minutes every day will receive a prize every week, with the grand prize at the end of the summer being a book to keep! Registration begins on June 22, and more information on the programs will be available by then. Grab a mask, a cape, and a book, and get ready to have the best summer of your life!

Expanded Summer Hours

The library typically closes all Sundays from Memorial Day to Labor Day. Not anymore! This year the library will only be closed on Sundays starting with the first Sunday in July and opening up a week after Labor Day. We will be here every Sunday in June between 1:00-5:00 pm. Escape the summer heat and find something good to read, watch, or listen to! As always, we remain open Saturdays in the summer.

Become a Friend

Do you want to help the Fair Lawn Library be the best it can be? Join the Friends of the Library, a group that meets on the second Wednesday of every month at 7:30 pm in the library. Newcomers are always welcome.

The Friends have raised money to fund activities for the library such as performances by musicians, storytellers, and many other entertainers, end-of-season celebrations in the Children's room, author's visits and more. They also provide support for some of our wonderful amenities such as a motion picture license to show the newest films, and fine additions to our collections of books, movies, and CDs. One of their latest gifts is the ability for Fair Lawn residents to visit the Montclair Art Museum for free. Come on by and be a part of the reason the library has something to offer to everyone.

Library Hours:

Monday, Wednesday & Thursday - 10:00 a.m. - 9:00 p.m.

Tuesday - 10:00 a.m. - 6:00 p.m.

Friday - 10:00 a.m. - 5:00 p.m.

Saturday - 9:00 a.m. - 5:00 p.m.

Sunday - 1:00 p.m. - 5:00 p.m. (closed Sundays from July-Labor Day)

Emergency Management

Be Prepared

Your family may not be together when a disaster strikes so it is important to plan in advance how you will get to a safe place; how you will contact one another; how you will get back together; and what you will do in different situations. Residents should visit www.ready.gov for helpful information on becoming prepared. You should inquire about emergency plans at places where your family spends time at work, daycare, school, faith organizations and sport events. Talk to community leaders, your colleagues, neighbors and members of faith or civic organizations about how you can work together in the event of an emergency. You will be better prepared to safely reunite your family and loved ones during an emergency if you think ahead and communicate with others in advance.

Nixle

The Borough of Fair Lawn Office of Emergency Management utilizes a communications service that allows for important and valuable community information to be sent to residents using the latest technology. The Nixle Community Information Service allows us to create and publish messages to be delivered to subscribed residents instantly via cell phone text message and/or email. The service is secure, reliable and easy to use for our group. Residents of Fair Lawn can immediately begin receiving pertinent information via text message, email, and web by registering at www.nixle.com.

Generator Safety

Downed utility lines, blackouts, snow falls or summer storms can lead to power outages. Many residents are turning to generators as a temporary solution.

Please remember the following safety precautions.

- Generators should be used in well ventilated locations outside away from all doors, windows and vent openings.
- Never use a generator in an attached garage, even with the door open.
- Place generators so that exhaust fumes can't enter the home through windows, doors or other openings.
- Make sure to install carbon monoxide (CO) alarms in your home.
- Turn off generators and let them cool down before refueling. Never refuel a generator while it is running.
- Store fuel for the generator in a container that is intended for the purpose and is correctly labeled as such and store the containers outside of living areas.

Residence Translating Assistance

The Borough of Fair Lawn Office of Emergency Management is in the process of compiling a list of residents that can assist in an emergency. OEM is looking for individuals who fluently speak another language or know American Sign Language and can assist emergency services in translating during an emergency. OEM will maintain this list for emergency personnel who need assistance in communicating with residents. If you are interested in volunteering, please email OEM Coordinator Wendy Alvarez at walvarez@fairlawn.org or call 201-794-5390. Please include your name, contact information (home telephone number, cell phone number and email address) and the language that you speak.

Residents are required by ordinance to display their house numbers on their homes.

By displaying your house number it allows emergency services to find your home quickly.

Auxiliary Police

Stranger Equals Potential Danger

Parents should inform their children that they should **NEVER** follow a stranger or enter their vehicle under **ANY** circumstance or situation! A child who is approached by a stranger should quickly walk away, preferably towards an area where there are other people present, to escape the potential danger they may be encountering. A nearby school, store, or restaurant can be a safe haven, and the child can ask an adult to call their parents or the police for them. A child may also be vulnerable if he or she is going home to an empty house because a stranger can follow them into their home or attempt to come back at a later time if he presumes no one is there.

Parents should contact their local law enforcement agency and convey to them as many details of the incident as possible including location, detailed description of the stranger, a detailed description of the stranger's vehicle (if applicable), and what the stranger did or said. Cell phones can be vital tools in situations like these and parents should make sure that their children know how to contact 9-1-1 and what they should tell law enforcement personnel regarding the incident, including all of the details mentioned previously.

Recruitment: For information on joining the Auxiliary Police, please visit our website: www.fairlawnauxpolice.com

Fire Prevention

Don't neglect your family's safety – You can prevent a tragedy

Fire Safety for Pre-Schoolers

Children, even at a very young age, can be taught the basics of escaping a fire . . .

- When the smoke alarm sounds
- Knowing two ways out of every room
- Gathering at a meeting place outside the burning building and to stay out!
- Designate that meeting place today-don't wait until the fire.

And be certain someone tells the Fire Department if everyone is out safe or not!

Adults should also do their part to avoid a tragedy

- Children are curious about fire. Store matches and lighters in a locked cabinet.
- Fire should not be used for entertainment.
- Maintain smoke alarms on every floor and test them weekly.
- Never leave a room unattended with a cooking flame or candle burning.
- Install a carbon monoxide alarm near your sleeping area and test it regularly.
- Have a fire escape plan and practice it regularly.

Juvenile Fire Prevention Program

Confidential professional counseling is available for youths that set fires or demonstrate an unnatural curiosity to fire. This program started in 1987 and demonstrates its success with less than 1% of participants continuing to repeat their fire behavior. Call Bergen County Juvenile Fire Prevention Program at 201-797-2660 ext. 144.

Teach 9-1-1

We teach our children . . . but what about our senior citizens?

Be sure your family's senior citizens are aware 9-1-1 is the number to call to report an emergency, as many are inclined to call the old 7-digit number. Call us at 201-794-5408 to request 9-1-1 stickers for your phone.

To help you be safe from fire, the following courtesies are available:

- Fire safety inspection of your home.
- Designing a fire escape plan from your home, for all family members.
- Testing and changing batteries of smoke alarms and carbon monoxide alarms.

Contact Fair Lawn Fire Marshal Jay Bender 201-794-5408 or email FireMarshal@fairlawn.org for further information.

Support Our Troops

Active Duty Military

The Borough hosts the names listed on its signboard on behalf of the Veterans Council, who controls the approval by means of formal application. The list is for active military members that are listed as Fair Lawn residents on their military enlistment papers. Applications may be filled out by the military member or their immediate family.

For further information or to receive an application, please contact the Veterans Affairs office at 201-794-5314 or at nmagarelli@fairlawn.org.

Senior Center

The Fair Lawn Senior Center is the site of many diversified activities, events, programs and services for older adults, 60 years and above and their friends and family members who may need advice or guidance.
