

# Recycle Right!

## How to Save the Planet and Your Tax Dollars

New regulations in the Recycling industry have changed how we recycle and what materials can be recycled. Costs for recycling have skyrocketed and penalties are being levied on municipalities when unacceptable materials are being put in the recycling mix.

Join Fair Lawn's Recycling Coordinator, Ron Lottermann, as he explains how to recycle right and reviews some upcoming Recycling programs, like the Paper Shredding event that is scheduled for early summer.
